

Here's one for my old man  
I know I ain't got your name on my hand yet  
But I will  
You know that I will  
Do you remember saying that you'd stretch your ear so much bigger than mine  
But you ain't got the time  
And you gave up  
I guess that I won  
I jumped a flight of stairs  
Because I knew you were waiting there  
I jumped a flight of stairs because I was so excited to have you home  
Do you remember I took you out on the town  
You fell to the ground and make that sound we do  
My friends just don't get it  
Do you remember when you left my friends  
You went off on your own and missed your ride home  
You missed out  
Mum couldn't find you  
I jumped a flight of stairs  
Because I knew you were waiting there  
I jumped a flight of stairs because I was excited to have you home  
It doesn't matter that we can't get drunk Dad  
It doesn't mean that we can't have fun  
We can go out for a couple, or maybe a few  
It wasn't getting drunk I loved it was being with you  
It doesn't matter that we can't get drunk Dad  
It doesn't mean that we can't have fun  
We can go out for a couple, or maybe a few  
It wasn't getting drunk I loved it was being with you
