(Ouu whoo ouuu...)

Girl, I wish I was that phone, feel yo touch all day
I just wanna see your face when I be calling
Love yo clingness, girl you been on me like all day
Take your pictures catch yo angles you be modeling
(Ouuuu whooo ouuuu)

(Modeling)

When a nigga running low shawty gone charge me
(Ouuuu whooo ouuuu)

(Charge)

(Charge)

(Charge)

Baby when somethings wrong, I want to be the one that you reach for
Wanna be the one you're looking for
Wanna be the first thing you think of
Wanna be the one that's keeping you up
Wanna be the one you fall a sleep on
Wanna be the one that you cant leave lone, no

Wanna be the one that you tap in to
The one you push up on to find the moves
Facial recognition baby you
All the time got me like, ouuu
Wanna be the one that's knowing what your into
Wanna be the one that know your favorite tunes
Wanna be the one that's seeing all your dance moves
Know ya every mood, before they turn to post on twitter blue

Girl, I wish I was that phone, feel yo touch all day
I just wanna see your face when I be calling
Love yo clingness, girl you been on me like all day
Take your pictures catch yo angles you be modeling

Baby when somethings wrong, I want to be the one that you reach for
Wanna be the one you're looking for
Wanna be the first thing you think of
Wanna be the one that's keeping you up
Wanna be the one you fall a sleep on
Wanna be the one that you cant leave lone, no

Wanna be the one that you can't leave lone, baby
Wanna be the one that know your thinking, baby
Wanna know the real you
Wanna be the one inside them dreams, oh baby
Its whatever you want at your request, yes yes
Talk to me girl I'm Siri, yes, just ask
She say she upgraded, nothing like her last
Everything updated she don't like to lack

(Nooo)
(Ouuu whoo ouuu)
Her camera wasn't giving
It couldn't capture how she living
Couldn't capture the light hitting
Like her screen her heart broke
Bae, I'm focused see you clearly, know I got the flash on
You a star like action
You the main attraction
She gone keep a nigga charged, with you ain't no crashing
Plenty storage for you and yo baggage
We can go DND, name a location I'll ping just know

Baby when somethings wrong, I want to be the one that you reach for
Wanna be the one you're looking for
Wanna be the first thing you think of
Wanna be the one that's keeping you up
Wanna be the one you fall a sleep on
Wanna be the one that you cant leave lone no

Give her 100% she gone charge me
More than 5 bars I just gave to you mami
Imma 5 star with the service providing
I just wanna feel your touch all day
Got me in yo pocket like a iPhone
