

My Flex

Mooski

You know what it
EFX in the game baby
Yeah so bring the bass in
Ay

We running through checks
[?] my left hand
Know I'm quick to flex
Money I'm not sweating
You my biggest blessing
For sure
You my biggest blessing
You my biggest flex

Girl no need to stress
Nothing like your ex man
Love it when we [?]
Henny pouring out my sweat glands
You my biggest blessing
For sure
You my biggest blessing
You my biggest flex

Girl [?] real life
Know what it feels like
Love when I dive in
It's navy SEAL like
You wear them heals right
That shit just feels right
You cold as real ice
Shining like real ice

We could never get back wasting time, that's just misfortunate
Where you been this whole time? I was lost in it
Shooting stars let me make my wish
I want every day to feel like nights like this

We running through checks
[?] my left hand
Know I'm quick to flex
Money I'm not sweating
You my biggest blessing
For sure
You my biggest blessing
You my biggest flex

Girl no need to stress
Nothing like your ex man
Love it when we [?]
Henny pouring out my sweat glands
You my biggest blessing
For sure
You my biggest blessing
You my biggest flex

No tears should fall down
I lay it all down [?] fall down

You a blessing, VVSs on your scars now
Can't let shit get in between us, we go raw now
Top ten, it's up there
She let you know that it's stuck there
Room shakes, she step there
Everybody that slept on her
Still in the past and they dead there
May they rest in peace
Loving how you moving and you [?]

We running through checks
