She say do miss me or not
She say do you miss me or what
Girl, you know I miss you a lot
Girl, you know I miss it
She say you don't miss me how I miss you
Can't wait to get back to you
You be the 1 not the 2
Already know what to do
Baby, I like how you move
Can't wait to get in that ouu ho
Water be wet like a pool
I'm going deep like I'm scuba diving

Diving head first off in that clear water
Head first know I don't fear water
Gotta dive in I hate still water
Deep stroke oh this real water
Said oh me in the deep
Talk freaky she weak in the knees
Wrap her arms around me she gone squeeze
Wrap her legs round my head I can't breathe

Ouu ho
Do it like you got something to prove
Do it like you got something to lose
Do it like you do it like you do

She say do miss me or not
She say do you miss me or what
Girl, you know I miss you a lot
Girl, you know I miss it
She say you don't miss me how I miss you
Can't wait to get back to you
You be the 1 not the 2
Already know what to do
Baby, I like how you move
Can't wait to get in that ouu ho
Water be wet like a pool
I'm going deep like I'm scuba diving

She say she miss me say I'm wishing you were here
Swear, the distance is fair
Just call my name baby yell
I'll be there, don't you know, I'm in the air

Flying over the ocean reminds me
Every strokes me float she like mmmm
West coast back to the east for my lil dime piece
Know I'm bout to scuba dive, girl

Ouu ho
Do it like you got something to prove
Do it like you got something to lose
Do it like you do it like you do

She say do miss me or not
She say do you miss me or what

Girl, you know I miss you a lot
Girl, you know I miss it
She say you don't miss me how I miss you
Can't wait to get back to you
You be the 1 not the 2
Already know what to do
Baby, I like how you move
Can't wait to get in that ouu ho
Water be wet like a pool
I'm going deep like I'm scuba diving
