

A La Lujeba

Morandi

A la lujeba (2x)

I come from India, travelled all around the world
to get to ya
Into Romania all the ladies want to give the love
to ya
I like the Amsterdam crazy people living like in
Babylon
Let`s get the party on, we`ll be dancing like a
little indian

A la lujeba (2x)

Hey girl, tell me what you think about me
I`m hot like fire baby, I`ll let you melt in me
Hey girl, tell me what you think about me
I`ll be your guru baby, you`ll die in ecstasy
