

Feel Me Up

Morandi

Uhhh-Uhhh

How could I give you the love
The love in my heart?
How could you feel what I feel
When you are so far. (so far)

How could I give you the love
The love in my heart?
How could you feel what I feel
When you are so far. (so far)

Refren: Feel me up inside
I got so much to give you.
Feel me up inside
Don't you know that I need you.
Ohh-Ohh! Feel me up inside.

Feel me up inside
I got so much to give you.
Feel me up inside
Don't you know that I need you.
Ohh-Ohh! Feel me up inside.

How could I give you the love
The love in my heart?
How could you feel what I feel
When you are so far. (so far)

How could I give you the love
