

## Love Me

Morandi

Love me, cause inside I'm slowly dying,  
call me, don't you know that my heart is crying,  
And look into my eyes,  
you will find sadness and loneliness,  
Just look inside my soul,  
I'm feeling so empty, empty...

Anyone... sadness...I'm live in,  
anyone...sadness...I'm live in,  
heeee yaaaaaaa...feel alone...  
heeee yaaaaaaa...anyone, anyone

Love me, cause inside I'm slowly dying,  
call me, don't you know that my heart is crying,  
Love me, cause inside I'm slowly dying  
call me, don't you know that my heart is crying

And look into my eyes,  
you will find sadness and loneliness  
Just look inside my soul,  
I'm feeling so empty...empty...

Anyone... sadness...I'm live in,  
anyone... sadness...I'm live in,  
heeee yaaaaaaa...feel alone...  
heeee yaaaaaaa...anyone, anyone

Anyone... sadness...I'm live in,  
anyone...sadness...I'm live in,  
heeee yaaaaaaa...feel alone...  
heeee yaaaaaaa...anyone, anyone

And look into my eyes...  
And look into my eyes...  
Love me...  
Love me...
