

Running

Morandi

Running.....(running).....alone.

Waiting.....(waiting).....for you to come home

When you're ariving down in my head you are running

I look into the sky and I see you smiling.

I've got thoughts in my head and shivers in my body

I get a feeling that happens to mine

I gotta go where the hell is frozen like my heart...

I'm going back in time.....I'm running for you tonight

Sometimes I feel like I will never lose this tension,

You are my everything, I'm lost without direction

Your love is gone I'm loosing you with all faith away....everyd
ay

Running.....(running).....alone.

Waiting.....(waiting)for you to come home

Crying.....(crying), smiling.....(smiling)..alone

Waiting.....(waiting)for you to come home

Running,.....(running).....alone.

Waiting.....(waiting)for you to come home

Crying.....(crying), smiling(smiling)..alone

Waiting(waiting) for you to come home

Running,.....(running).....alone.

Waiting.....(waiting)for you to come home

Crying.....(crying), smiling(smiling)..alone

Waiting (waiting) for you to come home
