

Dead To Me

Morcheeba

Oh well, there goes the sunshine
On the worst day of my life
Go to hell with your nice eyes
And your glossy smile so wide

I should've seen the signs
Read between the big white lines
The ruin of my soul
You scored the home goal

I don't know why
I stayed with you
In fight or flight
Is all I knew
One day you might
Have a clue
I know that I
Don't love you

I can't tell if there's a good side
Do you feel remorse
With your selfish thoughts?
You're not well if you think it's right
To treat our love this way

You do it all the time
You're screwing with my heart and mind
Your toxic, shocking games
You're still the same

I don't know why
I stayed with you
In fight or flight
Is all I knew
One day you might
Have a clue
I know that I
Don't love you

Who'd foresee
That you and me
Would ever be such enemies?
Sleepless nights
The lying and the fights
Bad energy, I'll count to three
1, 2, 3, you're dead to me

I don't know why
I stayed with you
In fight or flight
Is all I knew
One day you might
Have a clue
I know that I
Don't love you

You bring me down

Don't bring me down
Oh, you bring me down
Please don't bring me down
