

Oh Oh Yeah

Morcheeba

Oh oh yeah oh oh yeah
Right on dig it yeah
Oh oh yeah oh oh yeah
We arrive oh yeah ee-oh
Oh oh yeah oh oh yeah
Right on dig it yeah
Oh oh yeah oh oh yeah
We alright oh yeah ee-oh

Mindfully is this correlated scene
In recline is where you'll find me
Emotion analysis come over this
My only stance is knowing we are blessed
Without the holds we are free
Instant off is always good to see

Let the fools be the blues
They're locked in wheels of the rules
The line will pull itself in time with mine

Oh oh yeah oh oh yeah
Right on dig it yeah
Oh oh yeah oh oh yeah
We arrive oh yeah ee-oh
Oh oh yeah oh oh yeah
Right on dig it yeah
Oh oh yeah oh oh yeah
We alright oh yeah ee-oh

No overload we're free in this rest
Where I will always be me
Lets open the narrative fall into bliss
We'll remain reframed within our heads
Allowing all that we'll see
In and out is how it should be

It's enough to trust sensation makes our bed
Let the trees help you breathe with me
Come up all the way

Oh oh yeah oh oh yeah
Right on dig it yeah
Oh oh yeah oh oh yeah
We arrive oh yeah ee-oh
Oh oh yeah oh oh yeah
Right on dig it yeah
Oh oh yeah oh oh yeah
We alright oh yeah ee-oh
