

## Pareidolia

Morcheeba

Ooh, ooh, ooh, ooh  
Lay down, down by me underground  
Ooh, I'm tired and I shiver  
Build me a fire by the river

Here you are  
I'm ready for love  
Are you ready for love?  
Are you ready or not?

Here I am  
I'm ready for love  
Are you ready for love?  
Are you ready or not?

Ooh, ooh, ooh, ooh  
Lay down, down by me underground  
Ooh, you have me in a fever  
Build me fire by the river
