

# All Right Here

Morgan Evans

Carpool, cornhole, gallon bag of bad silver, cans in inflatable pools  
Green Grass, dance floor, Nine is on the Ox Cord Playlist playing it cool  
We're all product of a small town raised on radio music  
We've all got worries we could wash down and we've all been through it

And I've been doin' alright here  
Yeah we've got it all right here  
All the saints, all the sinners, all the wrapped-up skiggers  
All the flip cup tipplers sippin' ice cold beer  
All night long, singin' them country songs  
In a world where a whole lot of things go wrong  
They're goin' alright here

It's all good, all gravy, all comin' up daisies, all the right kind of crazy  
in the atmosphere  
Ain't one thing missin', now, we ain't got much but it's all right here

Seven billion goose spinnin' on the third rock everybody got their own two cents  
Moments like this make it all feel small no matter where you are or where you  
been

Oh, everything is alright here  
Yeah we've got it all right here  
All the saints, all the sinners, all the wrapped-up skiggers  
All the flip cup tipplers sippin' ice cold beer  
All night long, singin' them country songs  
In a world where a whole lot of things go wrong  
They're going alright here

It's all good, all gravy, all comin' up daisies, all the right kind of crazy  
in the atmosphere  
Ain't one thing missin', now, we ain't got much but it's all right here

It's alright  
(Oh-oh, oh-oh)  
It's all right here, mmh  
(Oh-oh), oh-oh

We're all product of a small town raised on radio music (Oh)  
We've all got worries we could wash down and we've all been through it

Tonight we're doing alright here  
Yeah we've got it all right here  
All the saints, all the sinners, all the wrapped-up skiggers  
All the flip cup tipplers sippin' ice cold beer  
All night long, singin' them country songs  
In a world where a whole lot of things go wrong  
They're going alright here

It's all good, all gravy, all comin' up daisies, all the right kind of crazy  
in the atmosphere (Oh-oh)  
Ain't one thing missin', now, we ain't got much but it's all right here (Oh-oh)

Yeah we got it all right here
