Morgan Evans

Mistletoe lovin', egg nogs are buzzin'
Santa Claus is comin' to town
We ain't gotta travel, gotta go too far
Just step outside, and here we are
Merry Christmas in the backyard
Merry Christmas in the backyard

Short sleeves shirts with reindeer on 'em
Lounge chair sleigh ride over the moon

Old friends havin' new laughs
Some grandpas in a red hat
That's how we do

They wanna deck their house just like us
