I Will Never Forget

Morgan Heritage

You are forever my friend
Though in this life I'll never see you again
You now have your wings and I feel you
In my heart straight through
'Cause your life never end
You now fly with angels in the wind, yeah
I see ya

Fear not my friend
I gave you my word, we'll be friends till the end
I'll never forget all the guidance you gave
Memories we've made will be with me all my days

I promise you
We will rise up (we rise, we rise)
Rise up, rise up and live
Oh Lord
We will rise up (we rise, we rise)
Rise up and live (rise up, rise up) yeah

We will rise up and live yeah, oh
Rise up and live
Sing on young man, sing on

Hold your head up
Look for my love to fill up your heart
I will be there for you when I can
Just trust in the plan the Father has in His hands
No need to fret no more

So just hold my hand
Listen to what I'm saying, young man (listen to di elders)
I said I'll do anything for you
Watch over you
Bless what you do
Now let me tell you now

I will never forget
I'll never forget the words that you told me
I will never forget
I hold on to your words, I hold on to your words
I will never forget
When you put your arms around me
I will never forget
When you told me that you're proud of me and you loved me

I will never forget
"United Immigrants"
I will never forget
When you gave us the "Warning"
I will never forget
Black Eagles "Shock Dem" now well well
I will never forget
No, "I'll Do Anything For You"
I will never forget
Wanna Make "My Day"
I will never forget

"Cool Runnings" Jah man
I will never forget
Papa said to "Stand Firm"
I will never forget
We've gotta hold on to "Salvation"
I will never forget
"Theocracy Reign"
I will never forget
I will never forget
I will never forget
