

## Ride and Roll

Morgan Heritage

Oh oh...  
Let's go  
876 yawl  
Ah ah...  
718 for real

I gave you my heart  
You touch my soul  
I knew from the start  
This connections crazy  
To my surprise could not resist your love  
You touch deep inside  
You got me open  
The way natty ride  
She say she love it  
And when I man roll  
She tell me Dready mash it  
Dready mash it  
Dready mash it  
We ride and roll and she say Dready

Don't stop, don't stop  
Rocksteady don't stop  
Keep it riding round the clock  
Ride and roll  
Don't stop, don't stop  
Rocksteady don't stop  
Keep it riding round the clock  
Ride and roll

She say soak up the vibe  
Feel the wave  
You doing it right  
Oh Dready  
Don't stop, don't stop  
Rocksteady don't stop  
Keep it riding round the clock  
Ride and roll  
Don't stop, don't stop

Don't you think I know loving me nuh easy  
Now you know why I call you my soul mate  
Let me tell that there is no question  
Of my integrity and intentions  
Front to da back got it on lock  
Riding those waves baby don't stop  
Little to the left take it up a notch  
Little to the right now, that's your spot uh  
The way natty ride, the girl she say she love  
And then Mojo roll and she say  
Dready mash it so

Rocksteady don't stop  
Keep it riding round the clock  
Ride and roll  
Don't stop, don't stop

Keep it riding round the clock  
Ride and roll

She say soak up the vibe  
Feel the wave  
You doing it right  
Oh Dready  
Don't stop, don't stop  
Rocksteady don't stop  
Keep it riding round the clock  
Ride and roll  
Don't stop, don't stop

Keep it riding round the clock  
Ride and roll  
Ride and roll

This connections crazy  
To my surprise could not resist your love  
You touch deep inside  
You got me open  
The way natty ride  
She say she love it  
And when I man roll  
She tell me Dready mash it  
Dready mash it  
Dready mash it  
We ride and roll and she say Dready
