

Gone My Way

Morgan Page

Don't tell me lies when you're sorry
Don't make me walk when I'm running, when I'm running

I don't forget what you promised
You won't come back end of story, end of story

Gone my way alright, yeah yeah yeah
Gone my way alright, yeah yeah yeah
Gone my way alright, yeah yeah yeah
Gone my way alright
Gone my way alright
Gone my way alright
Gone my way alright

Gone my way alright

Gone my way alright
Gone my way alright
Gone my way alright

Gone my way alright, yeah yeah yeah
Gone my way alright
Gone my way alright
Gone my way alright...

Gone my way alright
Gone my way alright
Gone my way alright
Gone my way alright
Gone my way alright

Gone my way alright

Gone my way alright
