

Habit

Morgan Page

I turn out the light
All I want to feel is you
I don't wanna fight
'Bout all the things we know are true
I know what I want
I know what I'm supposed to do
I'm taking it all
'Cause there's nothing left to prove

It might leave a scar
But that's a chance that I can take
'Cause all that we are
Is a habit I can break

You're just a habit I can break
You're just a habit I can break
You're just a habit I can break
You're just a habit I can break

It's seven o'clock
And you come walking through the door
I don't wanna talk
You know I've heard it all before
I know what I want
I know what I'm supposed to do
I'm taking it all
'Cause there's nothing left to prove

It might leave a scar
But that's a chance that I can take
'Cause all that we are
Is a habit I can break

You're just a habit I can break
You're just a habit I can break
You're just a habit I can break
You're just a habit I can break

'Cause all that we are
Is a habit I can break
