

Maybe It's Over

Morgan Page

You're keeping me waiting
All the time all the time
My patience is fading
You're on my mind on my mind

You're pulling me in
Getting under my skin
You're like heaven to hold
Without you I'm goin cold

It's the space in between
Silence keeps killing me
Telling me which way to go

Maybe it's over
Maybe its over
Maybe its over
Maybe its just the start of something new
Maybe it's over
Maybe its over
Maybe its over
Maybe its just the start of something new

Racing into the future
Driving through the flashin lights
No more hesitating
Tell me what you have in mind

You're pulling me in
Getting under my skin
You're like heaven to hold
Without you I'm goin cold

It's the space in between
Silence keeps killing me
Telling me which way to go

Maybe it's over
Maybe its over
Maybe its over
Maybe its just the start of something new
Maybe it's over
Maybe its over
Maybe its over
Maybe its just the start of something new
