

# Last Cigarette

Morgan Wade

(Oo-oo-ooh ooh)  
(Oo-oo-ooh ooh)

Tell me the truth, is it over for you?  
It isn't for me, but I'll say what you want me to say  
Addiction is strong, I know it's wrong  
But I need that high, I ain't gonna lie  
Just give it a night so I can be alright  
I can hold your body and you can hold mine

(Oo-oo-ooh ooh) I want you one last time  
(Oo-oo-ooh ooh) Another hit to ease my mind  
I don't want you to be over yet  
Won't you be my last cigarette?  
(Oo-oo-ooh ooh)

I thought it took three times  
To burn into my mind  
But, I had you once  
And you threw a punch  
But I'm not too mad  
All the fun that we had  
But it's hard to let go-  
It's so hard to say no

I can't go all day  
My hands, they shake  
I've gone off the deep side  
Habits gonna make me die

(Oo-oo-ooh ooh) I want you one last time  
(Oo-oo-ooh ooh) Another hit to ease my mind  
I don't want you to be over yet  
Won't you be my last cigarette?  
(Oo-oo-ooh ooh)  
(Oo-oo-ooh ooh)

So, you want better now  
So you gotta lay me down  
But don't go, not yet  
Wanna wake up with you on my breath

(Oo-oo-ooh ooh)  
(Oo-oo-ooh ooh)

(Oo-oo-ooh ooh) I want you one last time  
(Oo-oo-ooh ooh) Another hit to ease my mind  
I don't want you to be over yet  
Won't you be my last cigarette?

(Oo-oo-ooh ooh) Cigarette  
(Oo-oo-ooh ooh)
