

Obsessed

Morgan Wade

You're the one they're all talking about
They only see you on the streets
When you're walking around
But I've seen you late at night eating take out
You're the one they're all talking about

Early in the morning when the sun comes up
You're most vulnerable and you're all undone
You're the last thing my heart wants to love
Early in the morning when the sun comes up

And my entire life is wrapped up in your hazel eyes
Baby, we can both sleep when we're dead
I don't know where to begin
Can I hold you till the walls cave in?
Baby, I am so obsessed
Yeah, baby, I am so obsessed

You're my favorite story, won't you give me a role?
Write all my lines and I'll do what I'm told
Keep me around until I'm good and old
You're my favorite story, won't you give me a role?

My entire life is wrapped up in your hazel eyes
Baby, we can both sleep when we're dead
I don't know where to begin
Can I hold you till the walls cave in?
Baby, I am so obsessed
Baby, I am so obsessed

My entire life is wrapped up in your hazel eyes
Baby, we can both sleep when we're dead
I don't know where to begin
Can I hold you till the walls cave in?
Baby, I am so obsessed
Baby, I am so obsessed
Baby, I am so obsessed
