

# Falling Apart

Morgan Wallen

I've been sleeping on the couch  
If you wanna call it sleep  
Every square inch of this house  
Is messy as you left me  
Between the sour mash and the barley  
And all the bottles in the trash  
You'd think I'm a living party  
But girl, you're the life of that

Turns out I needed you  
And the leaving you  
Wasn't half as smart as I thought it was  
'Cause my life's in pieces now  
And I'm seeing how  
What we had was 'bout as good as it comes  
And now I know better  
'Cause without your arms  
To hold me together  
Baby, I'm falling apart  
Baby, I'm falling apart

Sold us out to buy my freedom  
And baby, now I'm paying the price  
I swore I had a list of reasons  
But that's a list that I can't find  
If I'd have built my life around you  
I coulda built it to the sky  
Swore that I could live without you  
But I'd die to have you back tonight

Turns out I needed you  
And the leaving you  
Wasn't half as smart as I thought it was  
'Cause my life's in pieces now  
And I'm seeing how  
What we had was 'bout as good as it comes  
But now I know better  
'Cause without your arms  
To hold me together  
Baby, I'm falling apart  
Baby, I'm falling apart

I guess I signed up for the crashing down  
I'm just waiting on the rest to happen now

Turns out I needed you  
And the leaving you  
Wasn't half as smart as I thought it was  
'Cause my life's in pieces now  
And I'm seeing how  
What we had was 'bout as good as it comes  
Now I know better  
'Cause without your arms  
To hold me together  
Baby, I'm falling apart  
Baby, I'm falling apart

I guess I signed up for the crashing down  
I'm just waiting on the rest to happen now
