

Interlude

Morgan Wallen

Mm

You're why I drink too much
You're why I love that taste
Yeah, if we're moving on
Girl, we just keep movin'

I'm why you can't find love
I'm why the shit don't change
Yeah, if we're movin' on
Girl, we just keep movin' the wrong way

You're why I drink too much
You're why I love that taste
Yeah, if we're moving on
Girl, we just keep movin' the wrong way...
