

Nothin' Left

Morgan Wallen

Nothin' left there in the bottle
Nah, it's all up on my breath
Nothin' left but Colorado
Kinda cold down in this bed
Nothin' left at the end of the tunnel
Just some lonely nights ahead
Since the girl I f'ed it up with
That I wouldn't trade for nothin' left

A spare key on the counter
A hair tie by the sink
Them "I'm sorry" flowers
That are dyin' just like me
Left in the shirt that I bought
When the Vols played Texas A&M
And now I'll probably never see it again
Never see her again

Nothin' left there in the bottle
Nah, it's all up on my breath
Nothin' left but Colorado
Kinda cold down in this bed
Nothin' left at the end of the tunnel
Just some lonely nights ahead
Since the girl I f'ed it up with
That I wouldn't trade for nothin' left

Like smoke rings in the sky
There one minute, next one gone
Let more than goodbye fly
She flipped me off and now I'm on
A bender, 'cause I never been this broke
Been a heartbreak and a half
And now I just got me a whole lotta

Nothin' left there in the bottle
Nah, it's all up on my breath
Nothin' left but Colorado
Kinda cold down in this bed
Nothin' left at the end of the tunnel
Just some lonely nights ahead
Since the girl I f'ed it up with
That I wouldn't trade for nothin' left

Oh, ain't nothin' left

Nothin' left there in the bottle
Nah, it's all up on my breath
Nothin' left but Colorado
Kinda cold down in this bed
Nothin' left at the end of the tunnel
Just some lonely nights ahead
Since the girl I f'ed it up with
That I wouldn't trade for nothin' left
Nothin' left
