

Sunrise

Morgan Wallen

On my Fridays when it's whiskey, I go back to Cincy
That Ohio night you tricked me into buying all your shots
Got your ghost up in my Chevy, shotgun lookin' ready
For them parties where you'd let me spin you 'round and show you off
I been tryin' to get away from you for a while now
But there ain't no settin' you down

You're my sunrise, you keep comin' up
You're in every conversation, every smoky situation
If it's water, if it's whiskey in my cup
You're the memories I'm drinkin', you're the thoughts I'm always thinkin', g
irl
It don't matter how far I run
You're the one that I can't run from
Used to be my late nights, love me till the daylights
Now you're just my sunrise, you keep comin' up
You keep comin' up
You keep comin', yeah, you keep comin'

Comin' up at 8AM, 9AM
All the way to 10PM when my day ends
Layin' down and there you are in my Amens
Mornin' light and you're there on my mind again

You're my sunrise, you keep comin' up
You're in every conversation, every smoky situation
If it's water, if it's whiskey in my cup
You're the memories I'm drinkin', you're the thoughts I'm always thinkin', g
irl
It don't matter how far I run
You're the one that I can't run from
Used to be my late nights, love me till the daylights
Now you're just my sunrise, you keep comin' up
Yeah, you keep comin' up, up
You keep comin', yeah, you keep comin'
Yeah, you keep comin' up, up
You keep comin', you keep comin'

There ain't no blinds to close, covers to throw over my head
Ever since you left

You're my sunrise, you keep comin' up
You're in every conversation, every smoky situation
If it's water, if it's whiskey in my cup
You're the memories I'm drinkin', you're the thoughts I'm always thinkin', g
irl
It don't matter how far I run
You're the one that I can't run from
Used to be my late nights, love me till the daylights
Now you're just my sunrise, you keep comin' up
Yeah, you keep comin' up, up
You keep comin', yeah, you keep comin'
Yeah, you keep comin' up
