

Superman

Morgan Wallen

One day you're gonna see my mugshot
From a night when I got a little too drunk
Hear a song about a girl that I lost
From the times when I just wouldn't grow up
And when you ain't a kid no more
I hope you don't think less of me
I try to hide my falling short
But you're gonna see

Now and then that bottle's my kryptonite
Brings a man of steel down to his knees
Don't always know my wrong from right
And sometimes I'm my own worst enemy
No, I don't always save the day
But you know for you I'll always try
I do the best I can
But Superman's still just a man sometimes
Oh, sometimes

One day the weight of this cold world
Gonna find its way down onto your back
One night the wolves will get closer
And you'll be the one they're running straight at
Don't you back down, don't you run
Stand your ground, stick to your guns
You ain't gonna dodge every punch
But just know you ain't the only one

Now and then that bottle's my kryptonite
Brings a man of steel down to his knees
Don't always know my wrong from right
And sometimes I'm my own worst enemy
No, I don't always save the day
But you know for you I'll always try
I do the best I can
But Superman's still just a man sometimes
Oh, sometimes

I can't stop a bullet, but I'd take one
I can't move a mountain, but I'd face one
One day we'll say where'd the years go
But I hope I'm always your hero

'Cause now and then that bottle's my kryptonite
Brings a man of steel down to his knees
Don't always know my wrong from right
And sometimes I'm my own worst enemy
No, I don't always save the day
But you know for you I'll always try
I do the best I can
But Superman's still just a man sometimes
Oh, sometimes
