

Huge W

Mori Calliope

(Uh-uh)

W-W-W-W-

Welcome to my hell of oddities made of sound (Sound)
Where fatal subs will slaughter bodies with no will to get down (down)
Where sick bass swells, then the deep kick slams (Slams)
Underworld mobbin', the sub woof throbbin'
Robbin' souls of the damned! (Uh huh)

Mō shūmatsu wa chikai
Little scapegoat skeletons, serve me (Thirsty)
Speakers burst with cursed energy
Kowagaranaide i
On a throne of ruinous jewelry (eien ni)
I'll bring catastrophe

THIS LOVE OF HATE OUGHTA BE FEARED
SIKE! MY HUGE W's right HERE

No order, yes havoc, no borders, on doom
No manners, yes rudeness, no smiles, just doom
This doom, just doom, your doom
Yeah
HUGE W

Hametsu wa kokodesu death (te ikude ~isu!)
Your life hinges on death desu (sugoi)
Hametsu wa kokodesu death (te ikude ~isu!)
You'll cringe upon your death desu

Hands up, hands up
All hope-havers, now cadavers (hora [? mi na/ kai])
Dead beats stay dancing in our lavish caverns (metcha tengokuda)
Guh, yah, so-what-our decks are full of jokers
Muhō chitai hanpanai
We do oki no mesu mama

The W is here!
(Bring it down, bring it down down do-down down)
My quota set to slay
Always hit the mark by mid-day
The W is here!
(Burn it down, burn it down down do-down down)
Don't gotta worry, we'll bask in glory (Yeah yeah)

Goshujinsama wa watashi
Skeletons, do you not fear what you see? (You shi)
Lovely bimi tamashī
Dear Dead Beats, Sorry I'm busy
Harvesting tasty seishin (Seizing)
Ain't this some hellish sight-seeing?

This love of hate oughta be feared
SIKE! This HUGE W's right HERE

W-W-W-W-

What I've got here is a guillotine and bags made of plastic
Mori feeling kinda mean but damn this feels fantastic

Surely she could not be planning to do something too drastic? (hakai-shin!)
If I wanted I could take you out with a rock and a matchstick
(Hahahaha!)

No order, yes havoc, no borders, on doom
No manners, yes rudeness, no smiles, just doom
This doom, just doom, your doom
Yeah
HUGE W

Hey hādo ni shitaidesu ka?
Crank it up this dropper
Haha kicks go skrrrra

Hametsu wa kokodesu death (te ikude ~isu!)
Your life hinges on death desu (sugoi)
Hametsu wa kokodesu death (te ikude ~isu!)
You'll cringe upon your death desu

Shinshoku suru nightmare-view
Your sky-blue went [? shinkū/ shinku] ha
Chewing a bijō taken from your soul residue ha
Cataclysmic vision, wash down wisdom with a cold brew
HAAA
Jigoku tte kuruu hodo
It's beyond an Alpha Move

The end is near...
As humans do as they please, our population sees increase
The end is near...
Ain't gonna let this kingdom freeze
Wanna live? Get the fuck on your knees

Kindan no kajitsu Gon' eat it knowing all the risk?
Subete destroy this shit
Because you got Your Boy fuckin' pissed
O rikō-chan-tachi oide tengoku yori mashi
Kōkai nashi In this abandoned rengoku no machi

The W is here!
(Bring it down, bring it down down do-down down)
My quota set to slay
Always hit the mark by mid-day
The W is here!
(Burn it down, burn it down down do-down down)
Don't gotta worry, we'll bask in glory (yeah yeah)

I-I-Isn't it boring, to recycle every story?
Frightening agony you feel is a result of your psyche
I-I-In this city, you'll happily end in kōfuku nashi
Uruwashi kyōki mitasu no EZ PZ

Goshujinsama wa watashi
Skeletons, do you not fear what you see? (You shi)
Lovely bimi tamashī
Dear Dead Beats, Sorry I'm busy
Harvesting tasty seishin (Seizing)
Ain't this some hellish sight-seeing?

This love of hate oughta be feared
SIKE! This HUGE W's right HERE

Sorry boss man, all my skin burned off from the size of that dubska and now

I'm a Dead Beat hahahahahaha

Cringe is Like... My brand

(Uh-uh)
