

KING

Mori Calliope

Three, two, one (Ow!)
Death's Empress, Ruler of the Sea
Run this town, bow down to the killer queens (Bleugh)
Two guillotines, we're so savage, clean, and sharp
Slash through your heart (Yeah, yeah)
Better to be late than to never satiate
Hungry, hungry for some blood on my plate
So take the bait, kings never play it straight
Shall we start?
