

# Brave

Moriah Peters

No one ever told me  
This would be easy  
But I never knew  
That it could be this hard  
Oh the worry the worry the worry  
Is weighing on me  
Could you help me break down  
All these question marks  
And make me

Brave  
I'll fight like a soldier  
Brave  
Rise like a warrior  
Brave  
Won't stop till the final day  
Brave  
I want to be stronger  
Brave  
Gonna be bolder  
Brave  
Look up and I see the way  
You make me brave

I know I know I'm no superwoman  
But impossible is possible with You  
So no, no, no more running, no more hiding  
Strike the fire so I'll be fearless too  
And make me

Brave  
I'll fight like a soldier  
Brave  
Rise like a warrior  
Brave  
Won't stop till the final day  
Brave  
I want to be stronger  
Brave  
Gonna be bolder  
Brave  
Look up and I see the way  
You make me brave

None go with me  
Still I'll follow  
Through the joy  
And through the sorrow  
Cross before me  
World behind me  
There's no turning back

Brave  
Brave  
Brave

Brave

I'll fight like a soldier  
Brave  
Rise like a warrior  
Brave  
Won't stop till the final day  
Brave  
I want to be stronger  
Brave  
Gonna be bolder  
Brave  
Look up and I see the way  
You make me

Brave  
Fight like a soldier  
Brave  
Rise like a warrior  
Brave  
Won't stop till the final day  
Brave  
I want to be stronger  
Brave  
Gonna be bolder  
Brave  
Look up and I see the way  
You make me brave
