

# Closer Than Your Next Breath

Moriah Peters

It seems safe to ask these questions here  
Some say You won't tolerate my fears  
And that my doubts will somehow separate me from You  
But this could not be further from the truth

Closer than my next  
Closer than my next breath  
Closer than my next  
Closer than my next breath  
You won't leave  
And Your love never left  
Closer than my next  
Closer than my next breath

Fill my lungs with awareness in the dark  
Pull me close to the mystery of Your heart  
And remind my mind and my thoughts are not Your thoughts  
If I lose my way, I'm never truly lost  
You're

Closer than my next  
Closer than my next breath (Closer, closer)  
Closer than my next  
Closer than my next breath (Closer, closer)  
You won't leave  
And Your love never left, You're  
Closer than my next  
Closer than my next breath

Ooh-ooh (Closer, closer)  
Closer than my next breath (Closer, closer)  
Hmm, closer than my next

I know it in my bones  
I feel it in my blood  
It's what I'm made for  
It's what I'm made of  
It's in the physical  
Invisible stuff  
It's what I'm made for  
It's what I'm made of

Closer than my next  
Closer than my next breath (Closer, closer)  
Closer than my next  
Closer than my next breath (Closer, closer)  
You won't leave  
And Your love never left, no  
You're closer than my next  
Closer than my next breath (Closer, closer)

I know it in my bones  
I feel it in my blood  
It's what I'm made for  
It's what I'm made of  
It's in the physical  
Invisible stuff

It's what I'm made for  
It's what I'm
