

Where Is the Light

Moriarty

The world turns around when I fall asleep
I dig in the ground and I fall very deep

Where is the light
Where is the light
Where is the light
Won't you turn on the light

My bed is a bath
And my bath is a boat
My mother is a cat
And my father is a goat

Don't be afraid
We'll hide in the shade
Don't be afraid, there's still room in the bed cage

Help me to find what I am looking for
What I am looking for I am not yet sure

Where is the light
Oh where is the light
Where is the light
Won't you turn on the light
Please the lights
