

# Ring Ring Ring

Morissette

Every day since the night we met  
When I wrote down my number for you  
What a thrill what buzz I get  
When you call, baby I adore you  
Call me up and I can promise you  
You will never get a busy signal

Ring Ring Ring  
Baby keep in touch  
Ring Ring Ring  
I'm missing you so much  
Why don't you  
Ring me, ring me  
Buzz me any time at all  
When you call, baby  
You bring me such joy  
Every time you ring ring ring me

Any time of the day or night  
Any time that you want to hear me  
Call me up, baby, it's alright  
Ring my bell and pretend you're near me  
All I need is just the sound of your voice  
That is all that it takes to cheer me

Ring Ring Ring  
Baby keep in touch  
Ring Ring Ring  
I'm missing you so much  
Why don't you  
Ring me, ring me  
Buzz me any time at all  
When you call, baby  
You bring me such joy  
Every time you ring ring ring me

Ring Ring Ring  
Baby keep in touch  
Ring Ring Ring  
I miss you, I miss you all so much...
