

Run Like A Warrior

Morissette

You don't have to be beautiful
To fall in love with me
You don't have to be a movie star
To act like you want me
You don't have to be a millionaire
To get to the heart of me

All you gotta do is say what you mean
Mean what you say
Make me wanna run away
With you

Run run run like a warrior
Fighting for the right to love you like that
Oh woah oh oh
Run until I see you at the end of the line
Run run run like a warrior
Fighting for the right to love you like that
Oh woah oh oh
Run until I see you at the end of the line
Now I know you mine

You don't have to be a pretty act
To get to the heart of me
You don't have to be the cool one
To hang with the simple girl like me
Don't have to be on the cover of the magazine
To make me feel like I'm your queen

All you gotta do is say what you mean
Mean what you say
Make me wanna run away
With you

Run run run like a warrior
Fighting for the right to love you like that
Oh woah oh oh
Run until I see you at the end of the line
Run run run like a warrior
Fighting for the right to love you like that
Oh woah oh oh
Run until I see you at the end of the line
Now I know you mine

Show me who you are, baby, show me who you are
It's alright, get a right people to star
Locks and roses on the way to my heart
And never needed, never needed any fancy car
Bling bling bling on this hit guitar
Rockin' this ride, baby we'll go far
Don't matter to me baby, baby where you've been
Come away with me, we can fly like a wind

Come away with me, let's fly like a wind

Run run run like a warrior
Fighting for the right to love you like that

Oh woah oh oh
Run until I see you at the end of the line
Run run run like a warrior
Fighting for the right to love you like that
Oh woah oh oh
Run until I see you at the end of the line

Run run run like a warrior
Fighting for the right to love you like that
Oh woah oh oh
Run until I see you at the end of the line
Run run run like a warrior
Fighting for the right to love you like that
Oh woah oh oh
Run until I see you at the end of the line
Now I know you mine
