Throwback

Morissette

Whoo!
Ah yeah ahh ohh
Let's go, go Mowie!

Baby can we go a little throwback
A little throwback, a little throwback yeah huh
Baby can we go a little throwback
A little throwback, a little throwback yeah huh

Babalik babalik babalik bawat saglit
(Ugh, Bawat saglit ay babalik)
Babalik babalik babalik bawat saglit
Whoo, Hey! Check this out!

Giliw halika't balikan matamis na nakaraan
Nung nililigawan mo sinusuyo mo pa
Oh pag-ibig mo'ng tunay ‘sang pambihirang taglay
Bumabalik sa isip isa kang hulog ng langit

Minsan ba ay naiisip mo, o ‘kay saying balikan ng kahapon
Nung ako'y nag papakipot-kipot at pinipilit ko na mag pahabol
Mga sandaling pag-ibig mo ay kay tamis
(Whoo oh oh)
Mag balik tanaw sa'ting wagas na pag tingin
(Can we go a little throwback?)

Babalikan ang una mong halik, o bawat saglit
(Can we go a little throwback?)
Babalikan pag-suyong kay tamis, o bawat saglit
(Can we go a little throwback?)
Mula makilala hanggang makasama babalikan
(Hey hey hey hey!)
(Can we go a little throwback?)
Babalikan pag-ibig mong hatid, o bawat saglit
(Can we go a little throwback?)

Giliw kay tagal na rin noon, nang akin "oo na mahal na rin kita"
Ugh ohh ohh at mag pa'hanggang ngayon oh oh oh oh
(Sayo'ng ngiti ay naaakit, lungkot ay napapawi)
Mga sandaling pag-ibig mo ay kay tamis
(Whoo oh oh)
Mag balik tanaw sa'ting wagas na pag tingin
(Can we go a little throwback?)

Babalikan ang una mong halik, o bawat saglit
(Can we go a little throwback?)
Babalikan pag-suyong kay tamis, o bawat saglit
(Can we go a little throwback?)
Mula makilala hanggang makasama babalikan
(Hey hey hey hey!)
(Can we go a little throwback?)
Babalikan pag-ibig mong hatid, o bawat saglit
(Can we go a little throwback?)

O giliw bawat saglit na ikaw ay aking kapiling
Baby I'm head over feet, your love for me I can feel it
Laging nananabik sa'yo pa rin kinikilig

For the first time we met, I'll treasure every minute of it
This love is more than this roses and chocolates huh!
This love is more than those fancy places we dated
Mula noon hanggang ngayon, hanggang sa darating na panahon
Pag-ibig'ibig ko ang iaalay
Tayo'y di magwawalay mag pa sa habang buhay
Itong sumpa ang lagi nating babalikan

At kung mawawala ang alaala ng ‘yong pag dating
Dito sa buhay kong dating kay dilim
Baby can we go a little throwback
A little throwback, atin muling balikan

Ugh oh oh babalikan…
Babalikan ang una mong halik, o bawat saglit
(ohh wohh oh oh oh bawat saglit)
(Can we go a little throwback?)
Babalikan pag-suyong kay tamis, o bawat saglit
(o kay tamis…. bawat saglit)
(Can we go a little throwback?)
Mula makilala hanggang makasama babalikan
(Hey hey hey hey!)
(Can we go a little throwback?)
Babalikan pag-ibig mong hatid, o bawat saglit
(pag-ibig mong hinahatid… bawat saglit)
(Can we go a little throwback?)

Bawat saglit yeah yeah oh….
Baby can we go a little throwback
A little throwback, a little throwback yeah huh
(Babalik babalik babalik bawat saglit)
(Ugh, Bawat saglit ay babalik)
Baby can we go a little throwback
A little throwback, a little throwback yeah huh
(Babalik babalik babalik bawat saglit)
(Ugh, Bawat saglit ay babalik)
Baby can we go a little throwback
A little throwback, a little throwback yeah huh
(Babalik babalik babalik bawat saglit)
(Ugh, Bawat saglit ay babalik)

Can we go a little throwback?
