

# Trophy

Morissette

You got a list in the back of your mind  
Of the things you expect from me  
I can shift, I can morph, I can fly  
Be whatever I'm needed to be

But just because I can  
Doesn't mean I should  
Just because I am  
Doesn't mean you have the right to  
Parade me like a trophy

I don't exist for your happiness  
And I don't expect for you to do the same  
I'm not the cure to your loneliness  
And I ain't 'bout to play your games

Hooo hooo hooooooooo  
Hooo hooo hooooooooo  
Hooo hooo hooooooooo  
Hooo hooo hooooooooo

Should've known you'd just waste all my time  
And consume all my energy  
The moment we didn't see eye to eye  
You'd take the truth and you twist it on me

Just because I can  
Doesn't mean I should  
Just because I am  
Doesn't mean you have the right to  
Parade me like a trophy

I don't exist for your happiness  
And I don't expect for you to do the same  
I'm not the cure to your loneliness  
And I ain't 'bout to play your games

Hooo hooo hooooooooo  
Hooo hooo hooooooooo  
Hooo hooo hooooooooo  
Hooo hooo hooooooooo

You ain't got a hold on me  
Can't you see  
Your fantasy  
It ain't reality  
No hold on me  
Can't you see  
Your fantasy  
It ain't reality

No hold on me  
Can't you see  
Your fantasy  
It ain't reality  
No hold on me  
Can't you see

You're stuck in your silly little fantasy

I don't exist for your happiness  
And I don't expect for you to do the same  
I'm not the cure to your loneliness  
And I ain't 'bout to play your games

I don't exist for your happiness  
And I don't expect for you to do the same  
I'm not the cure to your loneliness  
And I ain't 'bout to play your games

Hooo hooo hooooooooo  
Hooo hooo hooooooooo  
Hooo hooo hooooooooo  
Hooo hooo hooooooooo

You ain't got a hold on me  
Can't you see  
Your fantasy  
It ain't reality  
No hold on me  
Can't you see  
You're stuck in your silly little fantasy
