

Far Apart

MorMor

Thought it was just a phase
I couldn't settle down
We're born into our ways
You took me to the ground
Now quick as time fades
I couldn't place the sound
And I
Know you'll call my name
Until the love runs out

You
Know
We're far apart
Can't chase the dawn, now

Can't see the scars I've got
All of the ways I'm caught
Gravity weighs enough
Pulls you down from above
Losing the way it was, yeah

Can't see the scars I've got
All of the ways I'm caught
Gravity weighs enough
Pulls you down from above
Losing the morning sun, yeah

You
Know
We're far apart
Can't chase the dawn, now

You
Know
We're far apart
Can't chase the dawn, now

There's nothing left to say
I'm buried in my doubt
I'll call out your name
Until the love runs out

Can't chase the dawn, I'm telling you

I'm down and out
Ah
What happened to us
Can't chase the dawn, I'm telling you

We're far apart
Can't chase the dawn, now
You know
We're far apart
Can't chase the dawn, now...
