

## **March Of The Asylum (reveille I)**

**Morning Glory**

I been workin for Uncle Sam  
Lets me know just who I am  
Gonna be a global cop, yeah-hey!  
Gonna make the world see my way

I don't know I've not been told  
To think for yourself and break the mold  
I wouldn't know that it's no fun  
To run all day 'till the runnin's done  
Sound off!  
One-two  
Sound off!  
Three-four...  
One two three four  
1-2-3-4!
