

# How You Know It's Love

Morningwood

Are you legit?  
I think I've been bitten by the bug,  
yer the drug  
called love.  
It's hard to commit  
c-c-c-c-commit,  
it's hard to say,  
even the words out of my lips,  
when it feels like this. . . .

How would I know?  
How would i know?

How would I know?  
How would i know?  
Hey, hey, hey,

When it's hard to breath,  
(that's how you know it's love)  
when you just can't leave,  
(that's how you know it's love)  
when the birds and bees are down on their knees  
and you can't say no  
that's how you know it's love.

You think you're the shit,  
doo-doo, doo-doo, doo-doo-, doo-doo  
there are no words I can say about it  
I have to admit,  
you make me giggle with your super sharp wit  
and then I sweat when you get me unzipt  
and i can't resist

Now that I know,  
now that i know

Now that I know,  
now that i know  
Hey, Hey, Hey!

When it's hard to breath,  
(that's how you know it's love)  
when you just can't leave,  
(that's how you know it's love)  
when the birds and bees are down on their knees  
and you can't say no  
that's how you know it's love.

La-la-la-love  
yer unexpected but it's love.  
lucky for me.  
You're everything,  
my everything.  
Heyyy!

When it's hard to breath,  
(that's how you know it's love)

when you just can't leave,  
(that's how you know it's love)  
when the birds and bees are down on their knees  
and you can't say no  
that's how you know it's love.
