I'm Left, You're Right, She's Gone

Giorgio Moroder

Said it from the start that you're gonna break my heart
I'm left, you're right, she's gone
You knew it all the time that the lady wasn't mine
I'm left, you're right, she's gone
She gave me all the time and her loving in my life
Took me in hook, line, and sinker
Didn't see my fate and I woke up much too late
I'm left, you're right, she's gone

What a fool of me makes a mess of love I mean
I'm left, you're right, she's gone
She took me by surprise with the lustre in her eyes
I'm left, you're right, she's gone
How could I believe all the things she said to me?
Shook me, abscond forever
Such a heavy loss and that's such a heavy cross
I'm left, you're right, she's gone

She left, you're right, she's gone
She left, you're right, she's gone
She's gone

She left, you're right, she's gone
She left, you're right, she's gone
She's gone

Took me to the top, then she went and let me drop
I'm left, you're right, she's gone
Just when I had started, she left me brokenhearted
I'm left, you're right, she's gone
She gave me all the time and her loving in my life
Took me in hook, line, and sinker
Didn't see my fate and I woke up much too late
I'm left, you're right, she's gone

She left, you're right, she's gone
She left, you're right, she's gone
She's gone

She left, you're right, she's gone
She left, you're right, she's gone
She's gone

She left, you're right, she's gone
She left, you're right, she's gone
She's gone

She left, you're right, she's gone
She left, you're right, she's gone
She's gone

Took me to the top and then she went and let me drop
I'm left, you're right, she's gone
Just when I had started, she left me brokenhearted
I'm left, you're right, she's gone
She gave me all the time and her loving in my life
Took me in hook, line, and sinker

Didn't see my fate and I woke up much too late
I'm left, you're right, she's gone

I'm left, you're right, she's gone
She left, you're right, she's gone

I'm left, you're right, she's gone away
She left, you're right, she's gone

I'm left, you're right, she's gone
She left, you're right, she's gone

I'm left, you're right, she's gone away
She left, you're right, she's gone
