

Let the Music Play

Giorgio Moroder

Let the music play;
Let the music play;
Let the music play;
Let the music play;
Let the music play;
Let the music play;
Let the music play;
Let the music play;

Lay your body next to mine;
Rythem of a love sometime;
Let the music play;
Let the music play;
Show me everything you know;
I wanna feel your loving flow;
Let the music play;
Let the music play;

Let the music play;
Let the music play;
Let the music play;
Let the music play;
Let the music play;
Let the music play;

Give me everything I need;
Satisfy my hungry greed;
Let the music play;
Let the music play;
Glowing up love are so bad;
Shoring up with never had;
Let the music play;
Let the music play;

Let the music play;
Let the music play;
Let the music play;
Let the music play;
Let the music play;
Let the music play;

Let the music play;
Let the music play;
Let the music play;
Let the music play;
Let the music play;
Let the music play;
Let the music play;
Let the music play...
