

# Muny, Muny, Muny

Giorgio Moroder

Muny, Muny, Muny  
Oh, Muny, Muny, Muny, she's my girl  
Muny, Muny, Muny  
The name of my honey is Muny

Honey, honey, honey  
She's sweeter than honey, my Muny  
Isn't it funny  
The name of my honey is Muny

And when I kiss  
I'm kissin' you  
And I must say

Oh, Muny, Muny, Muny  
She's funny, funny, funny  
She's honey, honey, honey for me

Muny, Muny, Muny  
A lot of pretty girls come runnin'  
And a lot of guys  
They try to have it man their funny

Like a little bumble bee  
They tasted too much honey  
But I'm glad and satisfied  
I got my sweet as Muny

And when I kiss  
I'm kissin' you  
And I must say

Oh, Muny, Muny, Muny  
She's funny, funny, funny  
She's honey, honey, honey for me

Muny, let me hold you  
All the night and day  
Muny, say that single word  
And I never go  
I never go away

And when I kiss  
I'm kissin' you  
And I must say

Oh, Muny, Muny, Muny  
She's funny, funny, funny  
She's honey, honey, honey for me

Muny, Muny, Muny  
Oh, Muny, Muny, Muny, she's my girl  
Muny, Muny, Muny  
The name of my honey is Muny
