

# Oh L'amour

Giorgio Moroder

Ah, c'est bon  
L'amour, l'amour, l'amour, l'amour  
C'est bon  
Ah, c'est bon  
L'amour, l'amour, l'amour, l'amour  
C'est bon

Ah, that's right  
Let's make love again  
That's nice, so nice  
Ah, that's good  
The way you love me it's good  
It's so good

I can't have, all your love  
I sure need it, can you feel it  
Oh, let's make it, let's make love

Ah, c'est bon  
L'amour, l'amour, l'amour, l'amour  
C'est bon  
Ah, l'amour  
L'amour, l'amour, l'amour, l'amour

Ah, you're good  
The way you love me  
Baby, baby, baby, it's good  
Ah, you're right  
Let's make love again tonight, tonight

I can't have, all your love  
I sure need it, can you feel it  
Oh, let's make it, let's make love

Ah, c'est bon  
L'amour, l'amour, l'amour, l'amour  
C'est bon

Ah, that's right  
Let's make love again  
That's nice, so nice  
Ah, that's good  
The way you love me  
Baby, baby, it's good

I can't have, all your love  
I sure need it, can you feel it  
Oh, let's make it, let's make love  
Give it, give it up, that good love  
Oh, I sure need it, I sure want it  
I sure can, I sure do  
Give it, give it up  
Give it, give it up
