

## Too Hot To Handle

Giorgio Moroder

The lady looks like she's been around  
She's covered a lot of ground  
Too hot to handle, ain't gonna gamble

The lady knows love sure ain't no game  
She's been through too much pain  
Too hot to handle, ain't gonna gamble  
Too close for comfort, don't wanna get hurt  
Too bad it's no good, I'd only lose

Lady's gonna make a fool of me  
Gonna make a fool of me  
Too hot to handle, ain't gonna gamble

Lady's gonna let you think you'll win  
Then she's gonna let you lose  
Too hot to handle, ain't gonna gamble  
Too close for comfort, don't wanna get hurt  
Too bad it's no good, I'd only lose

The lady's got a reputation here  
Got a reputation there  
Too hot to handle, ain't gonna gamble

The lady's got a lot of satin charm  
And that can do you harm, you harm  
Too hot to handle, ain't gonna gamble  
Too close for comfort, don't wanna get hurt  
Too bad it's no good, I'd only lose

Too hot to handle, ain't gonna gamble  
Too close for comfort, don't wanna get hurt  
Too bad it's no good, I'd only lose  
Too hot to handle, ain't gonna gamble
