

## What A Feeling

Giorgio Moroder

What a feelin', being's believin'  
I can have it all, now I'm dancing for my life  
Take your passion, and make it happen  
Pictures come alive, you can dance right through my life

What a feelin', being's believin'  
I can have it all, now I'm dancing for my life  
Take your passion, and make it happen  
Pictures come alive, you can dance right through my life

What a feelin'

What a feelin', being's believin'  
I can have it all, now I'm dancing for my life  
Take your passion, and make it happen  
Pictures come alive, you can dance right through your life

What a feelin', being's believin'  
Pictures come alive, you can dance right through your life

What a feelin', what a feelin'  
(I can really have it all, pictures come alive when I call)  
I can have it all, have it all  
(I can really have it all, pictures come alive when I call)  
What a feelin'
