5:09

Morphine

Lying here with purple pillows propping up my sleepy head
Nothing that I have to do that I can't do in bed
I got a box of fancy chocolates
A bourbon by my side
And I'm lookin' forward to more of the same

Now I'm running naked down the interstate
I got headlights in my eyes and a semi on my trail
And there's something in the trunk that I think is still alive
I was trying to catch a plane that leaves at 5:09

Now I'm running naked down the interstate
I got headlights in my eyes and a semi on my trail
And there's something in the trunk that I think is still alive
I was trying to catch a plane that leaves at 5:09

I know about 100 people and they all know me
They offer me a sandwich or maybe something to drink
And my world is filled with their confidiality
Same kind of life I lead in the 14th century

But now I'm running naked down the interstate
I got headlights in my eyes and a semi on my trail
And there's something in the trunk that I think is still alive
I was trying to catch a plane that leaves at 5:09

Now I'm running naked down the interstate
I got headlights in my eyes and a semi on my trail
And there's something in the trunk that I think is still alive
I was trying to catch a plane that leaves at 5:09

Riding around in a glider way up here without a care
I got all the time in the world, yeah, all the time in the world to spare
Riding around forever on an empty tank of gas
And an empty pocketbook. Better get it to the bank

Now I'm running naked down the interstate
I got headlights in my eyes and a semi on my trail
And there's something in the trunk that I think is still alive
I was trying to make a plane that leaves at 5:09

Now I'm running naked down the interstate
I got headlights in my eyes and a semi on my trail
And there's something in the trunk that I think is still alive
I was trying to make a plane that leaves at 5:09

Yeah
I was trying to catch a plane that leaves at 5:09
I was trying to catch a plane that leaves at 5:09
I was trying to catch a plane that leaves at 5:09
I was trying to catch a plane that leaves at 5:09
5:09
5:09
