

Call Back

Morphine

I move slow underwater, I know my way around
I'm crisp like a waterfall, I grew up in this town

It's like she's got one million
Two million
I can't remember how many millions
Millions
And I'm exactly where I want to be right now

I got a call back from the wishing well
I don't have to aim, only to smile
Only to dream, let's get some ice cream
I got a call back from the wishing well

I move smooth underwater, crisp like a waterfall
Everybody knows me, I grew up in this town
It's like

I can't medicine, I don't even have to aim
I don't even have to shoot
Just call me, deal me in
I don't even have to aim
I just smile, meanwhile
I'm exactly where I want to be right now

See, I got one million
Two million
I can't remember how many million
Millions
And I'm exactly where I want to be right now

I move smooth, underwater
'Cause I know my way around
I move smooth, underwater
I grew up in this town
