

Lilah II

Morphine

Lilah, Lilah
Lead me on
To greater stars
To wish upon
Wish upon

Lilah, Lilah
Lead me on
To greater stars
To wish upon
Wish upon

Lilah, Lilah
Lead me on
To the moon and the stars
And way beyond
Way beyond

Lilah, Lilah, Lilah

Lilah design with perfect math
Like the pyramids upon the sand
Lilah, Lilah
Lead me on
The moon and the stars
And way beyond
Way beyond

Lilah, Lilah, Lilah

Lilah with an open mind
Open heart and open mind
Lilah, lead me
Leave me, leave me
Lilah, leave me
Leave me on, leave me on

Lilah, Lilah
Lead me on
To greater stars
To wish upon
Wish upon
