

I just want a kingdom for my queen  
That's you, baby

I just want a kingdom for my queen  
A castle for my team  
Money for the babies college fund  
Fla-dap flexing on 'em one on one  
Can't believe it's time  
I'm finally getting mine  
On a cloud living on a high  
Blow the clouds rolling who I

I got so much on my shoulders, man, it's so much on my heart  
Gotta keep my shit together or I might just fall apart  
What I'm writing is my story, Tevy Tev turn it to art  
I ain't focused on the ending, I'm just glad I got to start  
Looking at a new beginning now my life is living better  
I ain't even got no money, but got reasons to keep my head up  
Living in the same hood as when I started this endeavor  
Bitch, I'm staying in the heat because a nigga love the weather  
I still dream about the money ,now it's easier to reach it  
I'm still grasping at the bag 'cause lord knows that I need it  
Cutting rocky ties, throw them niggas off of a Heath cliff  
I want silent partners heavy fuckin extra on the speechless

I just want a kingdom for my queen  
A castle for my team  
Money for the babies college fund  
Fla-dap flexing on 'em one on one  
Can't believe it's time  
I'm finally getting mine  
On a cloud living on a high  
Blow the clouds rolling who I

They depending on me to come around and do the saving  
But little do they know that I'm the one that need the saving  
Spent up the check, tryna flex on how a nigga made it  
Now I'm looking at the bills with nothing in my savings  
The voice in my head must've died, someone save him  
I'ma need to host auditions so I can replace him  
Negative nancy hella ancy, I can't seem to shake them  
A lot of bigger problems didn't address 'em they were made slim  
Niggas really think 'cause they help that they made him  
Just 'cause I draw a tree on a boot don't mean I made Timbs  
Just 'cause I step on the scale don't mean I really weighed in  
Just 'cause you got an opinion don't mean you should weigh in

I just want a kingdom for my queen  
A castle for my team  
Money for the babies college fund  
Fla-dap flexing on 'em one on one  
Can't believe it's time  
I'm finally getting mine  
On a cloud living on a high
