

# Take Me Serious

Morray

Yeah, yeah  
Yeah

They don't take you serious, don't believe your plan  
If they ain't got your back, then fuck they front, that ain't your man  
Tell 'em take a seat if pussy niggas can't stand you  
It's always fuck a hater, I could never understand you, yeah, yeah  
Yeah, understand you  
Always fuck a hater, I can't stand you  
Yeah, uh-huh, yeah, yeah, fuck a hater, I could never understand you

Don't believe all the things that niggas see  
A lot of people took advantage 'cause they powered by the greed  
A lot of niggas sold they soul because they name ain't on the deed  
When you say we locked in, does that mean we can't be free?  
Let's talk about it  
Always plannin' through a fade, fuck talkin' 'bout it  
Livin', survivin' ain't the same, let's talk about it  
I've been survivin' every day, fuck talkin' 'bout it  
Get it out inside my therapy, let's talk about it  
I've been tryna go but all my haters sayin' no  
Niggas stab me in the front because my back is hella full  
Nigga, no space, hittin' me again, nigga, no way  
Bad intention, fuck a friendship, I'll pole-gate  
Fuck a promise, it's 'bout that action, so show me  
I love everybody but could never let you hold me  
Dream good, but I'm never sleep, can't sneak on me  
Fuck an enemy, nowadays gotta watch your homies

They don't take you serious, don't believe your plan  
If they ain't got your back, then fuck they front, that ain't your man  
Tell 'em take a seat if pussy niggas can't stand you  
It's always fuck a hater, I could never understand you, yeah, yeah  
Yeah, understand you  
Always fuck a hater, I can't stand you  
Yeah, uh-huh, yeah, yeah, fuck a hater, I could never understand you

Don't speak your language, no mas habla for that lame shit  
Thinkin' it's love when they hate you, man, that can really end up dangerous  
Niggas'll kill you if they can't change you, if niggas can't join you, then they bang you  
That's profanity 'til your family leave you out to dry, you cannot let 'em hang you  
Can't walk around without it on me, by myself, but not that lonely  
I be tryna level up, but niggas askin' for the old me  
If you niggas think I changed, it's obvious that y'all don't know me  
If you think I stayed the same, well, that's a lie 'cause I've been grownin'  
It's been a minute since I dropped, that's a twist to the plot  
I got signed, I got money, I've been shelved, I got boxed in  
Released, finally free, double G, God got me  
Now it's up, 'bout to run 'em up, they can't stop me

They don't take you serious, don't believe your plan  
If they ain't got your back, then fuck they front, that ain't your man  
Tell 'em take a seat if pussy niggas can't stand you  
It's always fuck a hater, I could never understand you, yeah, yeah  
Yeah, understand you

Always fuck a hater, I can't stand you  
Yeah, uh-huh, yeah, yeah, fuck a hater, I could never understand you
