

## Godlike Shell

Morta Skuld

Do you want to live the truth?  
Do you want to live a lie?  
Do you want to live always?  
Do you feel you're dead inside?

Did you find a place to hide?  
Did you find a place in fear?  
Do you only have one life?  
Did you find your cross to bear?  
I'm a mortal in a godlike shell  
I'm a mortal in a self-made hell

I'm a mortal in a godlike shell  
I'm a mortal in a self-made hell

To be human, to be more  
To be human one minute more
