

# **Suffer for Nothing**

**Morta Skuld**

I exist without purpose  
I exist in pain  
Life becomes reality

Why do you suffer, suffer for nothing?  
Suffer for nothing

Consume all the lies  
Consume all in your way  
Objective reality

Why do you suffer, suffer for nothing?  
Suffer for nothing

Take my life  
Take my soul  
Take my life  
Set me free

Why do you suffer, suffer for nothing?  
Suffer for nothing  
Suffer for nothing  
Suffer for
